Spare parts, consumables & accessories

The Bluewater Cleone water purifier is designed to turn your tap water into healthier drinking water. Innovated with love in Sweden, Bluewater's technology improves quality of life, health and wellbeing by removing practically all contamination, including microorganisms, pesticides, heavy metals and toxins.

Regular maintenance, genuine spare parts and consumables assure the performance and lifespan of your product. To eliminate mistakes, when ordering Spare Parts, always start by identifying your Model Name and Product Number and use them to determine the correct Spare Part Number.

Please note that this catalogue is updated regularly, which means the Part Number will also change regularly. You can always find the latest edition of this document at www.bluewatergroup.com
